

CARB BLOCKER

Healthy life made simple

Item# 2954
60 capsules

Carb Blocker is an all-natural product containing 300 mg of white kidney beans in each capsule that helps block enzymes responsible for digesting carbohydrates. When consuming carbs, your body uses enzymes to break down the food to later absorb it as sugars. White kidney beans intervene and inhibit those enzymes. Carb Blocker will help you support a healthy lifestyle in conjunction with proper diet and exercise.

Keeping a healthy lifestyle with a balanced diet and regular exercise is key to a happy life. There are many benefits connected with regular physical activity and a healthy balanced diet. According to the World Health Organization, "it can help control weight, and promote mental well-being".

BENEFITS

- May support healthy weight management in conjunction with a proper calorie-controlled diet and exercise.
