

FL-3X

Food Supplement with
glucosamine, chondroitin,
MSM, and plant extracts

Item# SY22465
Gluten-Free
Net Wt. 1166g (=96 x 12,15g servings)
8 pouches per carton, 12 servings per pouch

Synergy's FL-3X gel is the perfect complement to an active lifestyle, as its ingredients support the way you move. FL-3X contains 500 mg glucosamine HCL and 300 mg chondroitin sulfate, the fundamental components of joint tissue involved in the production of hyaluronic acid.

This formula also includes plant extracts and 125 mg MSM for additional health and mobility benefits. Likewise, Vitamin C benefits the body's ability to defend itself and form important collagen needed throughout the body. Vitamin C also contributes to a normal energy-yielding metabolism. Enjoy the effects, the convenience, and the tasty orange flavor.

BENEFITS

- Supports mobility, range of motion, and flexibility
- Glucosamine and Chondroitin are fundamental components of joint tissue involved in the production of beneficial hyaluronic acid
- Antioxidant plant extracts including green tea, grape seed, and apple fruit
- Vitamin C contributes to the collagen formation for the normal function of cartilage and bones
- Popularly taken by those who enjoy an active lifestyle

RECOMMENDED USE

One serving (12.15g) daily (equivalent to two teaspoons).

IMPORTANT INFORMATION

The recommended daily dose should not be exceeded. Keep out of reach of small children. Food supplements are no substitute for a balanced and varied diet and a healthy lifestyle.

For lot number and best before date, see side panel.
Storage: Store in a cool, dry place.
