

PRO360 WHOLEFOOD PERFORMANCE GREENS

BETTER BLENDS MAKE GREATER GREENS

Synergy's delicious Pro360 Wholefood Performance Greens is packed with superfoods that provide essential nutrients such as vitamins, minerals, fibre, and antioxidants.

It features a unique blend that address nutrition, energy, digestive health, immune health, psychological function, and oxidation, while providing nourishing whole foods and upcycled fruit fibre.

With 23 vitamins and minerals, it provides **clinically effective** levels of nutrients that help fill gaps in your diet.

← **NUTRIENT-DENSE AND DELICIOUS**
Enjoy over 200 plant-based nutrients, with 2 full servings of vegetables in each glass. Tastes great, not grassy.

← **UPCYCLING IS UPLIFTING**
Enriched with gut-friendly pre- and pro-biotics from upcycled fruits and vegetables.

← **FEELING YOUR GREENS**
Adaptogens and nootropics formulated to support mood, mind & body.
