

SLEEPWELL

For better sleep and rest

Item# 940
100 capsules

A good night's sleep is key to great health. It may impact both your physical and mental health. Making your rest a priority is crucial to support your healthy lifestyle. Sometimes, getting a good night's sleep or sound rest is harder than it sounds, so a little help is needed.

SleepWell features Valerian Root extract, passionflower and hop flower. Passionflower is known to have a calming and sleep-inducing effect and Valerian has been traditionally used to support natural and healthy sleep. Valerian Root extract is a well-known ingredient used to calm down and help us get the restorative sleep and rest we need. It is known not to cause morning grogginess and it is a non-addictive supplement for sleep support. With steady release of Valerian Root Extract, SleepWell prepares your body for a relaxed night's sleep without any sudden crash.
